The Christmas vacation this year starts on Tuesday, December 23, with an early dismissal at 1:10 PM Mountain Time.

Faculty will enjoy twelve full days of vacation, while students have thirteen days away from school. These days will allow time to enjoy the season with family and friends. The school board has made a few changes regarding the school schedule.

“We discovered the need to make a small adjustment, the school day will be from 7:50 AM Mountain Time to 3:21 PM Mountain Time and lunch will be from 12:12 PM to 12:42 PM” Mr. Geier stated.

Another change will be three minutes passing time between classes to ensure time for students to arrive at their next class on time. In order make this new schedule work, two minutes will be taken from lunch time. In addition, ten minutes will be added in the morning.

Classes will be the regular fifty minutes long and one additional minute will be added to the end of the day, which will change the dismissal time to 3:11.
