Did you remember and attend the speech meeting on Monday, December 8.

Mrs. Hayes and Janet Keiser asked everyone who wanted to participate in Speech to attend the meeting.

Before the meeting started, pizza and pop was served to the students and then Janet handed out Speech handbooks to everyone explaining the upcoming meets and the types of speeches that can be performed such as: humorous, entertainment, persuasive, or duets.

Mrs. Hayes and Janet believe that the team will have a spectacular year when the meets start.

The first meet will be the Longhorn Invitational at Chase County High School at Imperial on January 10.
