This year the Wauneta-Palisade Schools' Christmas concert was held in the Palisade gym on December 15, 2008.

The elementary, junior high, high school, and the preschool all took part in the concert. The concert started off with the talented preschoolers singing two short songs with great enthusiasm.

After the preschoolers performance the fifth grade band played an arrangement of four songs followed by the sixth grade band playing three popular Christmas songs.

The junior high/high school band played three beautiful songs. Following a ten minute intermission the fifth and sixth graders put on a play called Cool Yule.

The Kindergarten-Fourth graders then preformed Silly Songs and Sing-Alongs for Christmas with many familiar tunes but unfamiliar lyrics. Then the highschool choir closed the concert singing The Christmas Song with the audience singing along the second time thru whole heartedly.
