The Wauneta-Palisade school band wrapped up the school year with a trip to Worlds of Fun in Kansas City.

Twenty-seven junior and senior high band students participated on the trip with instructors Aaron and Sara Behrends and sponsors George and Leslie Lee.

After spending two years earning money for the trip the band reaped the reward May 23. The band first marched around the park then the students rode rides for the remainder of the day. The Broncos were the only band in the park that day. Schools may contact Worlds of Fun and arrange a day for a visit.

Above, the band posed in front of a roller coaster at the park.
