The Wauneta Breeze

This year when Wauneta High School and Wauneta-Palisade High School Alumni gathered for the annual alumni banquet they found no shortage of things to do around town.

The Alumni Committee, Chamber and School joined forces to provide a full day of entertainment where alums were provided several ways to catch up and get reacquainted with the town and school.

The Chamber kicked off Saturday's festivities with a complementary "Welcome Home"

Before the banquet, the school provided tours of the Wauneta Attendance Center.
