Last summer I asked for Zucchini recipes and I received some this year to share. Gardens should soon start to produce that long green vegetable that can be served with meats, made into bread or masqueraded as dessert with sweetness.

2 tbsp. low sugar apricot jam, warm

Heat oil in a large skillet over medium-high heat. Sprinkle both sides of ham with chili. Add ham to skillet and cook 5 to 6 min. reducing heat if it starts to get too dark. Ham should be hot in center. Top with jam spreading on the top and serve with Zucchini Salsa.

### Oil for deep fat frying

Cut zucchini in half widthwise, then cut each half lengthwise into eight wedges; set aside in a bowl combine the flour, onion salt, oregano and garlic powder. Combine the egg, milk, and oil; stir into the dry ingredients just until blended. Dip zucchini wedges in batter, then roll in crushed cereal. In an electric skillet or deep-fat fryer, heat oil to 375 degrees. Fry zucchini wedges, a few at a time, for 3-4 min. or until golden brown. Drain on paper towels; keep warm. Serves four.
