The morning's events on Saturday, Oct. 1, include final registration at the Chase County Medical Clinic in Wauneta from 8:30 to 9 a.m. MT. All participants who have pre-registered are asked to sign in at this time at the clinic.

The walk will begin at 9 a.m. MT with a focus on cancer survivors as other participants line the street in honor of these survivors as they kick off the walk.

Cancer survivors will release balloons signalling the start of the 5K walk around Wauneta for all participants. The walk will end at approximately 10:15 a.m. at the Wauneta-Palisade School gym where all further activities will be held.

A guest speaker will address the crowd followed by a complimentary lunch for Cancer Walk participants.

A silent auction of items donated by area businesses and supporters will be held, ending promptly at 11:45 a.m. MT.. In past years this auction has offered a significant fundraising boost for the event.

Last year there were 98 participants taking part in the cancer walk in Imperial, many in honor or memory of loved ones affected by cancer; others as cancer survivors themselves.

Anderson is challenging Wauneta to top this number with a strong turnout of participants. If you have questions or would like to contribute an item for the silent auction you can contact Anderson at VB&T or Morales at Chase County Community Hospital in Imperial at 308-882-7306.
