Lindsey Anderson and Dawn Doetker, with a little help and supervision from Kiley and Parker Anderson, have begun working on the house which will be the home for the new “Little Broncs & Tots Daycare” in Wauneta. In addition to working on the house, Anderson and Doetker are currently looking for part-time help for the daycare center. Little Broncs & Tots Daycare will begin to accept enrollments at their to-be-scheduled open house. Monitor their progress on their Facebook page.
