The Wauneta Breeze

The Village of Wauneta and the Wauneta Park Committee have scheduled the annual Wauneta Park clean up day for Saturday, April 12. The clean-up will begin at 9 a.m. MT and conclude at noon MT.

The Wauneta Girl Scout and Cub Scout Troops have already signed on to help throughout the day, but the Village and Park Committee encourage any available residents to come out to help with the process.

The day will include tending to plants and trees, removing trash and generally tending to the park's plants and trees.

Residents are encouraged to give their time, energy and bring extra garden tools to the project.

In addition, those who have adopted a decorative plant area are asked to clean up their adopted area as well.

For more information on the park cleanup contact Shane Anderson with the Park Committee at 308-883-0964 or the Village office at 308-394-5390.
