4-H Youth Development

4-H provides valuable learning experiences for youth across the state. Through involvement in 4-H, kids develop the skills they need to become leaders in their communities. We know many of the leaders in our communities today are 4-H alumni and we want to hear your success stories.

4-H Alumni have the opportunity to help grow their county 4-H program by telling their story. Now through the end of November, 4-H Alumni may share their story and be entered into a drawing to win \$1,000 for the county 4-H program of their choice.

Stories may be entered at <http://www.ne4hfoundation.org/>. Just click on the Alumni tab. The more entries your county has the more chances there are to win! The drawing will take place on November 30th so be sure to enter your story today!

For more information on entering a 4-H alumni story or the 4-H Program in your county contact your local University of Nebraska – Lincoln Extension Office or Kimberly Cook, Extension Educator at kcook2@unl.edu.
