Interest in the Chase County Fair's benefactor program took a jump this year.

Last year, a total of 61 corporate sponsors signed on to support fair activities.

This year, that number jumped to 86, with one Platinum sponsor, two Gold Sponsors, 13 Silver Sponsors and 60 Bronze Sponsors.

This year marks a first for the sponsor program with the fair's first-ever Platinum sponsor—Great Plains Communications.

In recognition of their support, Great Plains joins the fair as a co-sponsor of the Saturday night Chase County Fair Concert Series.

Gold Sponsors include: Harchelroad Motors and Imperial Beef.

Silver Sponsors include: 21st Century Equipment, Allo Communications, Bernhardt Farms, Cappell Sales Inc., Deveny Motor Sports, Imperial Super Foods, Luhrs Certified Seed & Conditioning, McNair Agency, Pinnacle Bank, Plains Equipment, Stromberger Farms. Triple Diamond Farms and one anonymous sponsor.
