The Wauneta Breeze

Now is the time to honor someone who has shown exemplary customer service. The Wauneta Chamber is celebrating “National Customer Service” month by honoring the top customer service person.

The contest is designed to recognize a Wauneta business person or employee who goes above and beyond in serving customers at a local business.

The Chamber needs your help in the way of nominations. Employees and business owners are eligible for nomination.

This is the third year the Chamber has sponsored the contest. Last year’s winner was Leanne Hunt. Hunt was honored for going the extra mile for customers at Valley Bank & Trust. The honor went to Angela McNabb the first year for her work at Good Times Bar.

In addition to the designation, winners are given a prize package from area businesses.

The chamber has provided a clip and send form for nominations.

Entries for this year’s contest must be received by Friday, Oct. 12 and can be mailed to the Wauneta Chamber at P.O. Box 211, Wauneta, NE 69045.
