W-P opened the game with a three pointer by Brianna Einspahr and, after a basket by Hitchcock County, another three by Abbie Fanning narrowed the gap to 9-6. Fanning's basket started a 14-5 Lady Bronco run.

During the run, W-P got a layup from Fanning off a steal from Lee, a jumper by Fanning and Lee made a conventional three-point with an assist from Sydnee Harchelroad.

W-P rounded out the run with Lee's put back and two Cassisdye Rathe free throws.

Hitchcock County, meanwhile, missed six shots and only made two buckets over the final 4:30 minutes of the first quarter.

With two free throws from Lee and a bucket by Lee off an assist from Brooklyn Nordhausen, W-P took a 17-14 lead only to see the Lady Falcons come back to take a 25-21 lead.

Hitchcock County put nine points on the board before five straight points by Emma Skelton pulled W-P back into the lead.

One free throw by Lee rounded out the half with the Lady Broncos leading 27-25.

Although both teams found wide open looks off screens against the other's man defense, Hitchcock County started off the second half from the outside, hitting two three pointers to take the lead 31-29.

W-P scored on their first two possessions when Einspahr found Lee for a basket and Skelton answered with her own three pointer.

Seven players scored in the second half for W-P and three players finished the game in double figures.

Skelton led the team with 15 points. Lee, with a nice all around game, scored 14 points and Fanning added 10.
