An Orphan Grain Train truck was in Wauneta Monday evening to pick up a shipment of 108,000 meals from Mercy Meals of Southwest Nebraska. Here, Jim Long works to get the pallets of meals ready for the Orphan Grain Train truck. The shipment, combined with shipments from Hastings and Lincoln, is headed to the Philippines. This shipment will follow another shipment of 144,000 meals and other supplies sent last week via Orphan Grain Train by other organizations. (courtesy photo)
