

Snow day for WP

Written by Wauneta Breeze

Thursday, 06 February 2014 18:17 - Last Updated Thursday, 06 February 2014 18:19

Wauneta-Palisade students were released at 11:30 a.m. MT/12:30 p.m. CT on Tuesday due to the winter weather. A beautiful snow fell as students were picked up by parents or boarded the bus. The thermometer read 10 degrees at the time with a -12 degree wind chill. The North Platte office of the National Weather service forecasts a slight chance of snow for the remainder of the week.
