**By Joey Large**

**Board President**

**Wauneta Senior Center**

The month of July at the Senior Center was a very busy month. Thanks to your support, the Center served 910 meals through the noon meal program, pancake supper, and the Sunday Dinner. This makes it the highest monthly meal total since I began serving on the Board of Directors.

At the August Board meeting, the Directors decided not to have a pancake feed as it would have been the same week of the Chase County Fair and there will not be a Sunday Dinner in August due to staff being gone. We look forward to seeing everyone at these events again in September.

The Center is still looking for a full time cook with the option of also doing the bookwork and cleaning or for someone that would be willing to be an assistant cook and work about 4 hours a day.

Training for either position would be available, if needed. Also the Board of Directors has some vacancies to fill so anyone interested in serving on the Board to help the Center continue to be strong and viable, please contact me for more information.

Looking into the fall, we have the Center available if you need a place to hold your Holiday parties.

We also appreciate Tony Cribelli who made a donation to the Senior Center on behalf of the Yucca Run event that is held during the annual Harvest Festival. The Board of Directors will look into the cost of possibly putting a PA system in the north side and using these funds to offset that cost.

As the fall weather arrives, we will need some additional individuals to carry the noon meals to those that are not able to come to the Center to eat. If you have an interest in helping and can only help one day a week, we can make that work.

On behalf of the Board, Staff, and volunteers of the Center, we appreciate your past support and we hope that some of you who have not stopped in to visit with us will take an opportunity to do so in the future. The coffee pot is always on.
